

1st Annual West Coast Pain Symposium

August 22-23, 2026 | Stanford University

Course Directors: Meredith Barad, MD, Einar Ottestad, MD and Scott Pritzlaff, MD

SATURDAY, AUGUST 22, 2026

7:00 AM	Registration Opens
7:30-8:30 AM	Lecture Series and Breakfast: <i>*Not part of the CME program, no CME credit available.</i>
DAY 1 Core Fluoroscopy & Ultrasound Interventions 8:30-5:30 PM Room:	
BLOCK 1: Cadaveric - Ultrasound – UPPER EXTREMITY: LHB, Rotator cuff muscles/tendons, SDSAB, ACJ/GH joints, Lateral elbow, medial elbow, cubital canal/ulnar nerve & wrist/median nerve, Greater Occipital, Suprascapular, Axillary	
BLOCK 2: Cadaveric - Ultrasound – LOWER EXTREMITY: Hip Joint, Greater Trochanteric Complex glutei bursae & tendons, Supra Patellar Recess, Medial Knee, Lateral Knee & Tibio-talar joint, Piriformis, Lumbo-Sacral Plexus, Pudendal Nerve & Obturator internus	
BLOCK 3: Cadaveric - Ultrasound – CERVICAL/THORACIC SPINE: Cervical Nerve Roots, Cervical sympathetic & Cervical facets/medial branches, Thoracic facets	
BLOCK 4: Cadaveric - Ultrasound – LUMBAR SPINE & TRUNK: Lumbar facets/medial branches, Sacro-iliac joint & Caudal epidural, Intercostal, Ilio-Inguinal, Genito femoral, LFCN & ACNES	
BLOCK 5: Cadaveric- Fluoroscopy – Lumbar - ILESI, TFESI, Medial Branch	

1st Annual West Coast Pain Symposium

August 22-23, 2026 | Stanford University

Course Directors: Meredith Barad, MD, Einar Ottestad, MD and Scott Pritzlaff, MD

BLOCK 6: Cadaveric- Fluoroscopy – Cervical - ILESi, Medial Branch

BLOCK 7: Cadaveric- Fluoroscopy – Sacral - Sacroiliac Joint, Caudal ESI) & Sympathetic (Lumbar Sympathetic Block)

BLOCK 8: Cadaveric- Fluoroscopy- Radiofrequency Ablation

BLOCK 9: Cadaveric- Fluoroscopy- Spinal Cord Stimulation, DRG

5:30-6:30PM Welcome Reception with Exhibitors

**Not part of the CME program, no CME credit available.*

7:00-9:00 PM

Faculty Dinner

**Not part of the CME program, no CME credit available.*

1st Annual West Coast Pain Symposium

August 22-23, 2026 | Stanford University

Course Directors: Meredith Barad, MD, Einar Ottestad, MD and Scott Pritzlaff, MD

SUNDAY, AUGUST 23, 2026

7:00 AM	Registration Opens
Lecture Series and Breakfast: Room Name: 7:00-8:00 AM <i>*Not part of the CME program, no CME credit available.</i>	
8:00 AM -5:00 PM	INTERVENTIONAL PROCEDURES
DAY 2 Interventional Pain Procedures 8:30-5:30 PM Room:	
Station 1: Intrathecal Pumps - Targeted Drug Delivery	
Station 2: SI Joint Fusion	
Station 3: Peripheral Nerve Stimulation Temporary 60 Day	
Station 4: Advancements in RFA Spine & Joints	
12:00-1:00 PM	Lunch Sponsored by Room Name: Presentation Sponsored by <i>*Not part of the CME program, no CME credit available.</i>
Station 5: Kyphoplasty	
Station 6: Percutaneous Image-Guided Lumbar Decompression	
Station 7: Peripheral Nerve Stimulation Permanent implanted IPG	
Station 8: BVN - Basivertebral Nerve Ablation	

1st Annual West Coast Pain Symposium

August 22-23, 2026 | Stanford University

Course Directors: Meredith Barad, MD, Einar Ottestad, MD and Scott Pritzlaff, MD

Station 9: Endoscopic Facet Denervation
