

Interventional Foundations Track

August 9-10, 2024 | Hilton Meadowlands New Jersey

Course Directors: Nomen Azeem, MD, Michael Esposito, MD, Ali Valimahomed, MD, Mark Jones, MD, Grant H. Chen, MD, and Amitabh Gulati, MD

FRIDAY, AUGUST 9, 2024

7:30-8:00AM Registration		
7:45-8:00 AM	Welcome to WAPMU Remarks	Amitabh Gulati, MD
8:00AM-12:00PM		
Foundation for Headache Management Lecture Series		
Moderated by : Christopher Robinson, MD, PhD		
Room Name: Pimlico/Belmont		
8:00-8:30A	Headache classifications and diagnosis (including long-COVID headache)	Grant Chen, MD
8:30-9:00A	Pharmacotherapy for Headaches	Charles Argoff, MD
9:00-9:20A	Non-invasive Treatments for Headaches (including TENS, acupuncture, Nerivio, etc)	Amitabh Gulati, MD
9:20-9:40A	Occipital nerve stimulation	Mark Hurdle, MD
9:40-10:00A	Starting a Headache Clinic	Moises Dominguez, MD
10:00-10:15AM	Break with Exhibits	
	Room Name Diamond Court C	
	<i>*Not part of the CME program, no CME credit available.</i>	
10:15A-12:00P	1) Botulinum toxin for Migraines Station	Moises Dominguez, MD
	2) Ultrasound: TMJ, Mental, Supra/infraorbital, supratrochlear, V2/V3, masseter (live model)	Sam Nia, MD, and Grant Chen, MD
	3) Noninvasive Devices: Neuromodulation, TENS, virtual reality for headache	Charles Argoff, MD
12:00-1:00PM Industry Sponsored Lunch Symposia		
<i>*Not part of the CME program, no CME credit available.</i>		
1:00-5:30PM		
Ultrasound Underground Workshop		
Course Director: Neal Rakesh, MD, and Ali Valimahomed, MD, FAAPMR		
Room Name: Diamond Court DE		
1:00-3:15PM 45-minute rotations	1. Cervical Spine Anterior - Stellate, cervical plexus, brachial plexus	Matthew Pingree, MD, Michael Gofeld, MD, PhD, Vinita Singh, MD, Einar Ottestad, MD, Mark Hurdle, MD, Hemant Kalia, MD, MPH, David Spinner, DO, Grant Chen, MD, Amitabh Gulati, MD, Neal Rakesh, MD
	2. Posterior neck, cervical medial branch, cervical facet & occipital blocks	
	3. Lumbar spine, cluneal, facet, sacroiliac joint, caudal	
	4. Thoracic spine, chest and abdominal wall	
	5. Upper and Lower Extremity	

Interventional Foundations Track

August 9-10, 2024 | Hilton Meadowlands New Jersey

Course Directors: Nomen Azeem, MD, Michael Esposito, MD, Ali Valimahomed, MD, Mark Jones, MD, Grant H. Chen, MD, and Amitabh Gulati, MD

3:15-3:30PM	Break with Exhibits Room Name Diamond Court C <i>*Not part of the CME program, no CME credit available.</i>	
3:30-5:00PM 45-minute Rotations	1. Cervical Spine Anterior - Stellate, cervical plexus, brachial plexus	Matthew Pingree, MD, Mark Hurdle, MD, David Spinner, DO, Michael Gofeld, MD, PhD, Vinita Singh, MD, Einar Ottestad, MD, Hemant Kalia, MD, MPH, Grant Chen, MD, Amitabh Gulati, MD, Neal Rakesh, MD
	2. Posterior neck, cervical medial branch, cervical facet & occipital blocks	
	3. Lumbar spine, cluneal, facet, sacroiliac joint, caudal	
	4. Thoracic spine, chest and abdominal wall	
	5. Upper and Lower Extremity	
5:00PM	Welcome Reception Room Name Diamond Court C <i>*Not part of the CME program, no CME credit available.</i> ABSTRACTS viewing	

SATURDAY, AUGUST 10, 2024

7:00-8:00AM	Breakfast and Registration <i>*Not part of the CME program, no CME credit available.</i>	
8:00-10:45AM Foundations for Intrathecal Drug Delivery Systems (FIDDS) Course Director: Edward Podgorski, MD Room Name: Diamond Court AB WAPMU Foundation for Intrathecal Drug Delivery Systems (FIDDS) is dedicated to exploring and expanding the role of implantable drug delivery systems for the treatment of painful and non-painful disease states. FIDDS aims to achieve this goal by providing a comprehensive education program, collaborating across disciplines, and fostering scientific inquiry for the next generation of scientists, medical device engineers, implanters, and managers of these therapies. <i>*Not part of the CME program, no CME credit available</i>		
8:00-8:30AM	Prioritizing ITP Therapy in a Growing Pain Practice	Anish S. Patel, MD, MBA, FASA
8:30-8:50AM	Latest in PACC Guidelines 2024	Anjum Bux, MD
8:50-9:10AM	Where is Intrathecal Drug Delivery Headed? Non-pain, Non-spasticity Options	Edward Podgorski, MD
9:10-9:30AM	Panel: Trial? Weaning opioids? Initial Medication Dosing	Moderated by Edward Podgorski, MD Panelists: Anjum Bux, MD, Grant Chen, MD, Amitabh Gulati, MD

Interventional Foundations Track

August 9-10, 2024 | Hilton Meadowlands New Jersey

Course Directors: Nomen Azeem, MD, Michael Esposito, MD, Ali Valimahomed, MD, Mark Jones, MD, Grant H. Chen, MD, and Amitabh Gulati, MD

9:30-9:50AM	Ziconotide – A New Approach for Chronic Pain: Low Concentration, High Volume and Bolus Dosing	Hemant Kalia, MD, MPH
9:50-10:20AM	Managing ITP Complications - What to Do?	Edward Podgorski, MD
10:20-10:45AM	Panel: (set topics - taking on pts with existing pumps, troubleshooting complications)	Moderated by Edward Podgorski, MD Panelists: Anjum Bux, MD, Grant Chen, MD, Hemant Kalia, MD, MPH
10:45AM-12:00P Foundation for Intrathecal Drug Delivery Systems (Hands On) Room Name: Diamond Court DE <i>*Not part of the CME program, no CME credit available</i>		
25-minute Rotations	Target Drug Delivery System Management: Refills and Side Port Use + Intro to Syncromed 3	Keith Clement, NP
	Intrathecal Drug Delivery System Implant	Anjum Bux, MD
	Suture Station	Soriaya Motivala, MD
12:00-1:00PM Industry Sponsored Lunch Symposia <i>*Not part of the CME program, no CME credit available.</i>		
1:00-5:00PM Foundations for Treatment of Oncological Pain (FTOP) Course Director: Vinita Singh, MD Room Name: Diamond Court AB WAPMU Foundation of Treatment of Oncologic Pain (FTOP) aims to provide education on interdisciplinary, evidence-based treatment of oncologic pain, including mentorship and resources for providers trying to set up oncologic pain practice.		
1:00-1:30PM	Topic: Techniques and Physics of Ablation	Amitabh Gulati, MD
1:30-2:00PM	Pearls of Sympathetic Neurolysis for Cancer Pain	Michael Erdek, MD
2:00-2:30PM	Topic: Neuromodulation for Cancer Pain (ITP, SCS, PNS)	Hemant Kalia, MD, MPH
2:30-3:00PM	Developing a Cancer Pain Practice in the Community	Vinita Singh, MD
3:00-3:30PM	Panel Q&A	Moderated by Vinita Singh, MD Panelists: Grant Chen, MD, Michael Erdek, MD, Hemant Kalia, MD, MPH, Edward Podgorski, MD, Neal Rakesh, MD
3:30-4:00PM Break with Exhibits Room Name Diamond Court C <i>*Not part of the CME program, no CME credit available.</i>		
4:00-5:00PM 20-Minute Rotations	Small Table Rotation: Post-Treatment Related Pain Treatments (Post-Chemo, RT, Surgery)	Vinita Singh, MD, Grant Chen, MD, Michael Erdek, MD,
	Small Table Rotation: Breast Cancer treatment algorithm	Hemant Kalia, MD, MPH,

Interventional Foundations Track

August 9-10, 2024 | Hilton Meadowlands New Jersey

Course Directors: Nomen Azeem, MD, Michael Esposito, MD, Ali Valimahomed, MD, Mark Jones, MD, Grant H. Chen, MD, and Amitabh Gulati, MD

	Small Table Rotation: Cancer pain and Addiction	Edward Podgorski, MD, Neal Rakesh, MD, Kelly Preti, MSN, AGACNP-BC
6:30PM	Faculty Dinner <i>*Not part of the CME program, no CME credit available.</i>
