

EXHIBITOR PROSPECTUS

Iberian & North African Annual Meeting

October 18-19, 2024
Porto, Portugal

MESSAGE FROM THE WAPMU PLANNING COMMITTEE

We are pleased to announce the World Academy of Pain Medicine United (WAPMU) 3rd Annual Meeting of the North African and Iberian Chapter. The conference will consist of leaders in the field of pain management coming together to discuss advances in the field. Event speakers will share their training and professional experiences with event attendees and engage participants in further discussion of these topics. The event will conclude with a networking reception.

The meeting will take place in Porto, Portugal, October 18-19, 2024. Our goal is to present cutting-edge information to practitioners of all levels and provide a forum to interact and discuss evidence-based medicine to improve the quality of care and access to care for patients. Industry partners and exhibits are an important part of our meeting's success and benefit both the attendees and companies who choose to participate. We anticipate an excess of 150 clinical providers specializing in pain management, interventional pain management, and neurosurgery to attend. All professionals interested in the field of pain medicine are welcome to attend and support our mission.

PROGRAM NEEDS ASSESSMENT

The Iberian & North African Annual Meeting 2024, is planned as an accredited activity to enable practitioners of pain management to grow in their depth of understanding of various aspects of interventional pain management. WAPMU's goal is to enhance patient care, provide networking opportunities, and preserve access to care. In addition to reviewing IPM techniques, guidelines, and emerging technology, the course will provide current information on practice management, research, and advocacy

LEARNING OBJECTIVES

1. Use best practices in the assessment, diagnosis, treatment, and management of patients with pain.
2. Understand the necessary aspects of building and growing a practice.
3. Comprehend the importance and application of research to their practices.

EXPECTED ATTENDANCE

The Iberian & North African Meeting 2024 is expected to bring clinicians, scientists, and industry partners from all over the World. We anticipate more than 100+ clinical providers to attend.
